This plan is an in-house document designed for easy update and revision. As changes are made to this original version, every hard copy should also be updated. Here is a distribution list of hard copy CIPs:

Location	Date Updated	Date Updated	Date Updated	Date Updated	Date Updated	Date Updated	Date Updated
Chief of Interpretation							
Interpretation Office							
Superintendent's Office							
Chief Ranger							
Administrative Officer							
Chief of Resource Management							
Chief of Maintenance							
Library							
IMR Office: (person?)							
IMR Office: (person?)							

Because many different types of files make up the overall CIP, the plan is comprised of several electronic files located at **X:/Interp/CIP Final Feb2007**. For printing purposes, this is the order each file is found within the document:
